One Regional Conversation for Business Owners  
and Decision Makers

# AI for Business: Join the Conversation. Shape the Strategy.

AI is changing the way businesses operate — and your voice matters! Join us for this interactive series featuring a keynote by Dale Anderson, Small Business Development Center, followed by open, facilitated discussions where employers share experiences, expectations, and challenges around AI adoption. Your input will help shape a regional strategy for small and mid-sized businesses.

Come Prepared to Share

- ✓ How you are currently using AI
- ✓ Your future expectations for AI in your business
- ✓ Concerns, barriers, and questions about implementation
