

FLOOR INSTALLATION

**Tuesdays and Thursdays,
8:30 a.m. - 4:30 p.m.
Now Enrolling for 2026**

This rigorous Flooring curriculum prepares learners for a career as skilled flooring technicians. It covers basic installation skills for Carpet, Hardwood, Tile, and Resilient flooring. Classroom training is supported by extensive hands-on instruction and real-world practice.

Coverage of measurement, surface preparation, material handling, installation techniques, and other critical skills ensures learners are set up for job success.
